# GENERAL SALES CONDITIONS

---

## **ORDERS**

All prices are valid till the emission of a new price list. For discounts on these prices, please contact our sales office or the agent/distributor in your area. Luziferlamps S.L. will issue a proforma invoice within two working days after receiving the order. Please check this confirmation for accuracy. **If we don't hear from you within the next two business days, we will assume that the order has been approved, and we will start the production.** Once the order has been accepted, production time will be 4-6 weeks for catalogue models and 10-12 weeks for custom models. These lead times are approximate and depend on the LZF workload; all products are manufactured to order and by hand. All products will continue to be owned by Luziferlamps S.L. until payment has been made in full.

## **ORDER CANCELLATION**

As all lamps are made under order only, LZF establishes the following rules with the customer, who accepts them when placing his order:

- If the customer requests cancellation of the order before LZF has started production of the ordered lamps, the cancellation is accepted free of charge for the customer.
- If the customer requests cancellation of the order after LZF has started production of the ordered lamps, LZF will accept the cancellation and stop production of the lamps but will charge a cancellation fee of 30% of the net value of the goods at the customer's expense.
- If the customer requests cancellation of the order after LZF has completed production of the lamps, no cancellation will be accepted, and the customer must pay the total amount of the order.
- For orders over 10.000€, cancellations will not be accepted.

## **RETURNS**

The sale is final; the lamps cannot be returned.

## **CLAIMS**

All claims must be submitted via our ONLINE RECLAIM FORM within 48 hours of receiving the merchandise. If transport claims arrive later, then this Luziferlamps S.L. cannot guarantee that transport insurance will cover the claim. The original Luziferlamps packaging ensures that your lamps are not damaged in transit. When you receive an Lzf lighting fixture, please ensure that the product is in perfect working condition before disposing of the packaging. **If a return must be made, it must always be returned in its original packaging.**

## **TRANSPORT**

Depending on the country, a minimum order amount is set for free shipment. If the order amount is below this minimum, freight charges will be added to the invoice.

Please refer to our commercial office for further clarifications.

---

## **GUARANTEE**

According to European law, products made by Luziferlamps S.L. are guaranteed for 24 months. This guarantee will not apply if our product's installation, maintenance, or use has not followed our recommendations. Since wood is a natural material, a gradual change in tone may occur over time. Furthermore, if the lamps have been purchased at different times, there will be differences in colour and tone, particularly in light coloured veneers. Luziferlamps S.L. will not be held responsible for this. Damages caused by insects, vermin, accidents, alterations, tampering, misuse, reasonable wear and tear or negligence are not covered by the guarantee. Moisture and extreme temperature changes are prejudicial to the materials that make up your lamp; The guarantee will not apply if our lights have been installed where air-conditioning or ventilation ducts may focus air onto the fixture as this will damage the veneer finish. The guarantee does not apply to light bulbs that may or may not have been supplied at the time of purchase or after the sale.

**Please read all our instructions and recommendations carefully included in the instruction manual you receive with your lamps.**

Luziferlamps S.L. assumes no responsibility for labour costs in connection with the installation, removal or replacement of warranty products for any consequential or incidental damages. If the customer submits a warranty claim of any kind for any products delivered, Luziferlamps S.L. shall replace the defective item with a substantially similar product (subject to availability), provided that the **warranty claim is made in writing with digital photo support by the customer** to Luziferlamps S.L. within two years from the applicable invoice date. It does not involve a defect that could have been discovered at the time of inspection and acceptance by the customer. Luziferlamps S.L. reserves the right to modify the size and/or finish of its models for product improvement purposes. Printed material is easily outdated. Please refer to our online technical details found on our web page [www.lzf-lamps.com](http://www.lzf-lamps.com), to ensure that you have the most up to date information on our products.

## **DEFENCE OF INTELLECTUAL PROPERTY**

The designs of the products appearing in the catalogues of Luziferlamps, S.L., and these catalogues themselves, are protected by the national and international Laws and Treaties on Intellectual and Industrial Property. Any unauthorised use of them constitutes an infringement of the above-mentioned rules and a crime that can be punished according to penal laws.

Consequently, it is strictly forbidden to manufacture, fix, reproduce, translate, distribute, publicly communicate, place at the disposal of the public and totally or partially transform these designs and/or the catalogues, in addition to any other act of exploitation in relation to them, without the prior written permission of the owners of these rights.

Luziferlamps S.L. holds the ownership of the rights to its trademarks. Their use is consequently totally forbidden, without the corresponding prior written permission of Luziferlamps S.L. Non-fulfillment of this obligation and the consequent infringement of the trademark rights shall likewise entail a civil and, if appropriate, criminal prosecution of these infringements, in accordance with the national and international laws and treaties in force.
